Graphic Designer

Juliana Caballero, United States.

Site Administrator

Samuel Ramirez, Eng., Colombia.

MISSION

To spread relevant Latinamerican scientific research worldwide.

SCOPE

Revista Estomatología (e-ISSN 2248-7220) is a peer-reviewed scientific journal dedicated to the dissemination of new knowledge and information developed from scientific researches on all areas of oral and systemic medicine of the human being. It addresses itself primarily to researchers in the field of health sciences, university professors, undergraduate and postgraduate students, dental clinicians and specialized practitioners in the field of health sciences.

Articles published in **Revista Estomatología** (e-ISSN 2248-7220) are summarized and indexed in the following indexes, repositories and catalogs: [ICMJE](#), [DOAJ](#), [EBSCO-Fuente Académica](#), [REDIB](#), [LILACs](#), [BIREME](#), [LATINDEX](#), [SHERPA/RoMEO](#), [GALE - Informe Academico](#), [Dialnet](#), [ROAD](#) and [Google Scholar](#).

This journal was founded in 1991 is owned by a non-profit organization, Universidad del Valle, and serves the scientific community strictly following the recommendations of the [International Committee of Medical Journal Editors \(ICMJE\)](#) on publication ethics policies for medical journals. In addition, we declared to [have signed](#) DORA's principles as well as having a position in favor of the responsible use of metrics but not the use of impact factor (IF) to evaluate the journals and researchers.

INTELLECTUAL PROPERTY

All content of the journal, except where identified, is licensed under a [Creative Commons](#) attribution-type BY-NC-ND.

Vol. 27 N. 2 *Revista Estomatología* 2019

CONTENT

Medio siglo de vida y progresos en la Escuela de Odontología de la Universidad del Valle, Cali - Colombia: hechos relevantes de la última década.	1 - 10	Judy Villavicencio, Adolfo Contreras, Jesús Hernández, Freddy Moreno
Osteonecrosis Maxilar asociada a bifosfonatos en Cali, Colombia	11-18	Miguel Evelio León & Carlos Valencia
Surgical and nonsurgical treatment of papillary hyperplasia: A case report	19-26	Edison Andrés Cruz Olivo, Pedro Palo Castro, Herney Garzón Rayo
Alteración de la dimensión vertical: Revisión de la literatura	27-37	María Alejandra Barragán-Paredes, Carlos Alberto Viveros-Rebolledo, Herney Garzón Rayo
